# DIGITAL SHOW & TELL!

## STRETCH & FLEX

We call ourselves the Stretch & Flex  
And we really try quite hard  
To strengthen all our muscles  
And keep off excess lard

We like to meet for breakfast  
We look for any excuse to eat  
So if our room is not available  
It's at a cafe we choose to meet

We turn and twist and kick quite high  
We swing and sway and more  
Sometimes we're even strong enough  
To get down on the floor

Now Lynn & Bob, they try so hard  
To keep us all in line  
Sometimes we're a little ornery  
But usually we act just fine

We bend over from the middle  
And try to touch our toes  
Usually we find however  
It's easier to touch our nose

We don't care about your creed  
Or if you're thin or tall  
We just care about each other  
And want the best for all

We march around to music  
We really are quite hep  
So even when the music stops  
We continue with our step

I think our group is special  
There's no reason for me to look  
For any group more wonderful  
You're all terrific in my book!

Jill is our leader  
She's taught us well and knows  
That even when she's absent  
We go on with our shows

### Riddle Me This

Like pieces of life's grand tableau, together we fit, and a full picture we show. What am I?

Once I filled the room with sound, entertainment found, without a visual bound. What am I?

### Adiviname Esto

Como piezas del gran cuadro de la vida, juntos encajamos y mostramos una imagen completa. ¿Qué soy yo?

Lleno el cuarto con sonido, se encuentra entretenimiento, sin límite visual. ¿Qué soy yo?
